Signature: _____ Date: _____

This form may be duplicated.

GUIDELINES FOR COMMON TYPES OF STOCK REGISTRATIONS

Various state laws govern the manner in which stock is registered. The following are general guidelines and examples indicating the most common forms of stock registrations. If you have any question regarding a specific registration, we suggest that you consult with an attorney.

TYPE OF ACCOUNT& EXAMPLE:	REGISTRATION INFORMATION:
<p><i>Individual account (one person)</i></p> <p>Example:</p> <p style="text-align: center;">JOHN J. DOE</p>	<p>The individual's social security number is used on the registration and the substitute W-9 form is signed by the individual. The legal name of the individual must be used. The individual's full first name should be used instead of initials, i.e. John J. Doe instead of J. J. Doe. Titles are not used.</p>
<p><i>Joint account (two or more persons)</i></p> <p>Example:</p> <p style="text-align: center;">(1) JOHN J. DOE & MARY M DOE JT TEN</p> <p style="text-align: center;">or</p> <p style="text-align: center;">(2) JOHN J. DOE & MARY M. DOE TEN COMM</p>	<p>In most cases, the social security number is that of the first person listed. The first person listed on the account would sign the substitute W-9 form. Most states recognize the registration "JT TEN" as joint tenants with rights of survivorship and not as tenants in common. The conjunction "or" is not used in registering stock ownership. To the left are examples of the most common types of joint registrations. Please specify the tenancy clause desired on the application form (if the tenancy clause is not specified, we will assume "JT TEN").</p>
<p><i>Custodial account</i></p> <p>Example:</p> <p style="text-align: center;">JOHN J. DOE SR. CUST JOHN J. DOE JR. UNIF TRANS MIN ACT OH</p>	<p>The social security number of the minor must be used on the account. The custodian should sign the substitute W-9 form on behalf of the minor. If a minor does not yet have a social security number, please write "APPLIED FOR" in the space provided. Each custodial registration can have only one custodian and only one minor listed. The custodian's name must be listed first followed by the minor's name. The minor is the legal and beneficial owner and the custodian is merely the manager. The state indicated at the end of the registration is the state in which the minor resides.</p>
<p><i>Trust</i></p> <p>Example:</p> <p style="text-align: center;">JOHN J. DOE & MARY M. DOE TR U/A DTD 3/26/99 JOHN J DOE REVOCABLE TRUST</p>	<p>The tax payer identification number or the social security number must be provided for the trust. The substitute W-9 form must be signed by the Trustee(s) for the trust. The name(s) of the trustee(s), the name of the trust and the trust's date must be provided. You must include a copy of the trust, or the application will be rejected.</p>
<p><i>TOD Registration</i> <i>(Registration in Transfer on Death form shall be indicated by the abbreviation "TOD")</i></p> <p>Example:</p> <p style="text-align: center;">JOHN J DOE TOD MARY M DOE SUBJECT TO TOD RULES</p>	<p>The social security number or the taxpayer identification number of the individual owner must be provided. The substitute W-9 form must be signed by the individual owner. The shareholder's name must be listed first, followed by the name of the TOD beneficiary. Until the security owner dies, the TOD beneficiary has no rights in or with respect to the security. Individuals, trusts, guardianships, corporations and other entities may be TOD beneficiaries.</p>
<p><i>Corporation/Charitable Organization</i></p> <p>Example:</p> <p style="text-align: center;">DOE SUPPLIES INC.</p>	<p>The taxpayer identification number of the corporation or organization must be provided. The substitute W-9 must be signed by an officer of the organization, followed by their title.</p>
